

Indiana State Department of Health
Approved Physicists and Inspectors
 available for consulting in Indiana

As of June 11, 2008

This list is provided as an aid to radiation machine facilities in finding a consultant to meet the various requirements of 410 IAC 5. The "Region Served" information is intended as a guide to assist facilities in determining which consultant might be willing to do work in that facility's area. If you have any questions regarding this list, please contact the x-ray machine compliance coordinator at AC 317/233-7563.
